PART 1 STATEMENT OF INTENT

The company directors recognise and accept their responsibilities both under law and under the requirements of the accreditation schemes by which they are bound. As responsible employers and/or persons in control of premises, the requirement to provide a safe and healthy working environment for all employees and others affected by its activities is acknowledged.

The company is committed to managing risks by ensuring that risk assessments are undertaken, control measures implemented and systems are continuously monitored and reviewed led by the directors and senior staff.

In particular the directors and senior staff are responsible for:

- providing a safe and healthy working and learning environment and ensuring that the premises are maintained in a safe condition
- maintaining safe access to and egress from the premises
- preventing accidents and work-related ill health
- assessing and controlling risks from curriculum and non-curriculum work activities including offsite activities
- complying with statutory requirements as a minimum and promoting good practice
- ensuring safe working methods and providing safe equipment
- providing effective information, instruction and training
- monitoring and reviewing systems to make sure they are effective
- developing and maintaining a positive health and safety culture through communication and consultation with employees and their representatives on health and safety matters

Reviewed September 2023– Next review September 2024 or in the event of staffing, policy, or legislative changes

- setting targets and objectives to develop a culture of continuous improvement
- ensuring a healthy working environment is maintained including adequate welfare facilities
- ensuring adequate resources are made available for health and safety issues, so far as is reasonably practicable
- ensuring safe use, handling and storage of substances at work
- tackling extremism in accordance with Prevent responsibilities

In addition to the above commitment, directors and senior staff also recognise their obligations to non-employees and provide trainees, members of the public, pupils, contractors, etc, or anyone who is or may be affected by the company activities with the necessary information, instruction, training and supervision available to ensure the safety of those affected.

The directors will ensure adequate resources, including finance to implement the Policy.

The directors and senior staff are committed to this Policy and all staff are required to comply. They are encouraged to support the directors and senior staff commitment to continuous improvement in the company health and safety performance. For the Policy Document to be effectively implemented, the company requires the full co-operation of employees and others who use the premises.

This Policy and the accompanying organisation and arrangements will be reviewed at least annually and revised as and when necessary.

PART 2 – ORGANISATION

Organisation – Introduction

In order to achieve compliance with the directors' Statement of Intent, those outlined in the company's normal management structure will have additional responsibilities assigned to them as detailed in this part of this Policy.

The company's normal operations are the running of private language schools and private football academies, set over two sites, Arthur House, Manchester & Ellesmere College, Ellesmere. The school also hires facilities for football at Ten Acres Lane Sports Complex. The Head Office is located at: 8 Oxstalls Lane, Longlevens, Gloucester, GL2 9HT and does not welcome students.

Directors' Duties

The directors have overall responsibility for ensuring compliance with this policy. In consultation with the senior staff, the directors will ensure that there are effective and enforceable arrangements for the provision of health and safety throughout the company, periodically assessing the effectiveness of this document ensuring that any necessary revisions are made to determine the policy and monitor its implementation.

Directors:

Service Contractors

Service contractors are engaged to complete tasks such as cleaning or maintenance which is not covered by the job specifications of the company's regular employees such as cleaning duties or technical maintenance.

Directors

Cleaning contractors have regular access to site as specified by a contract. The service contract specifies what work is expected of them and what they can expect from the company. Contractors follow their own safe systems of work and their working methods take into account how they will impact upon staff, students and other visitors on site. The company provide details of its safe systems of work to the contractors where relevant and all contractors are consulted over emergency arrangements. A copy of this policy is provided to them should they be on site for an extended period of time
