

First Aid at IH Manchester

Our Promise to You

At IH Manchester, we are committed to your **health and safety**. If you are injured or feel unwell, we will make sure you get **help quickly**.

First Aid at School

We have trained **First Aiders** in the school.

They will:

- give basic first aid
- decide if you need more help
- call emergency services if needed

First aid is available:

- in school
- during school activities

➤ What Should You Do?

If you feel unwell or have an accident:

- ✦ tell a **teacher**
- ✦ speak to the **Welfare Manager**
- ✦ speak to a member of **staff**

Do this **immediately**.

➤ First Aid Equipment

First aid boxes are available in the school.

They are usually in:

- reception
- staff room

➤ Medical Information

You should:

- tell the school about any **medical conditions**
- tell us about any **allergies**

This helps us support you in an emergency.

Medicines

The school **cannot** give you medicine.

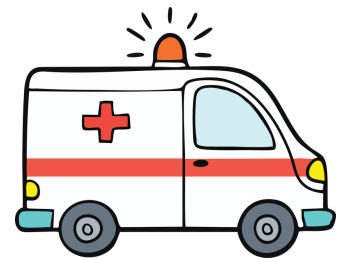

- You must bring and manage your own medication
- In an emergency, doctors or ambulance staff will help you

If You Need More Help

If your injury or illness is serious:

- the school will call an **ambulance**
- staff will support you
- your emergency contact may be informed

Reporting Accidents

All accidents are **recorded by the school**.

This helps us:

- keep students safe
- improve safety in the future

Remember

- Tell staff **immediately** if you feel unwell
- First aid is available to help you
- The school cannot give medicine
- Your safety is very important to us
