

Health and Safety at IH Manchester

Our Promise to You

At IH Manchester, we are committed to providing a safe and healthy environment for all students.

We work to:

- prevent accidents
- reduce risks
- keep the school safe for everyone

Your Safety

The school will:

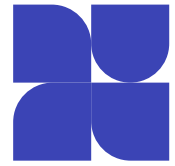

- keep the building **safe and well maintained**
- provide **clear safety information**
- carry out **risk checks** for activities
- have trained staff for **first aid and emergencies**

Health and safety information is explained during your **induction**.

What We Expect From You

As a student, you should:

- take care of your **own safety and others**
- follow **school rules and staff instructions**
- listen carefully in an **emergency**
- use equipment safely
- keep classrooms and shared areas **clean and tidy**

Reporting Problems

If you see something unsafe, you must tell us.

- ✦ speak to a **teacher**
- ✦ speak to the **Welfare Manager**
- ✦ speak to a **member of staff**

Examples include:

- broken equipment
- unsafe conditions
- accidents or injuries

Medical Information

You should:

- tell the school about any **medical conditions or allergies**
- complete your **medical form**

This helps us support you if there is a problem.

First Aid

The school has trained first aid staff.

If you feel unwell or have an accident:
tell a member of staff immediately

Fire and Emergencies

In an emergency:

- follow staff instructions
- leave the building quickly and calmly
- do not stop to collect your belongings

Emergency procedures will be explained during induction.

Staying Safe in School

To help keep everyone safe:

- do not run inside the building
- keep walkways clear
- use shared spaces responsibly
- follow safety signs and instructions

Remember

- Safety is everyone's responsibility
- Always follow staff instructions
- Report problems immediately
- Help keep the school safe for everyone
