

Teaching and Learning at IH Manchester

Our Promise to You

At IH Manchester, we want to help you **learn English successfully and confidently.**

We believe that learning works best when:

- you use English in **real communication**
- lessons are based on your **needs and goals**
- you take an **active part in learning**

What You Can Expect From Your Teacher

Your teacher will:

- create a **safe and respectful learning environment**
- plan lessons based on your **needs and level**
- explain the **aim of each lesson** clearly
- use **real-life examples** to teach English
- help you practise **speaking, listening, reading, and writing**
- include **pronunciation practice** in lessons
- give you **regular feedback** and advice
- set **homework** to help you improve
- encourage you to use English **outside the classroom**

Your teacher will also listen to your ideas and support your progress.

➤ What Is Important in Your Learning

At IH Manchester, we focus on:

- learning **useful words and phrases**
- understanding how to **use English in real situations**
- building your confidence to **communicate clearly**
- helping you become an **independent learner**

➤ What We Expect From You

As a student, you should:

- take part **actively** in lessons
- work with other students in pairs and groups
- speak **English in class and around the school**
- complete your **homework**
- use English **outside the classroom**
- respect other students and their opinions

Your Progress

Your teacher will:

- check your progress regularly
- give feedback on your strengths and areas to improve
- help you reach your learning goals

Remember

- Learning works best when you **take part actively**
- Mistakes are part of learning
- Practice helps you improve faster
- Your teacher is here to **support you**
